

Cloud Library for Android Devices

Installing the App

- Search for **Cloud Library** in the Google Play Store.
- Tap on **FREE**.
- Then tap **INSTALL**.
- You will have to accept access to certain information to continue.
- Cloud Library icon will appear. Tap screen to continue.
- Tap on “**Connect to your library.**”
- Select your Country.
- Select your library as “**Illinois Heartland Library System.**”
- Next you will be asked to supply your library card information – barcode and PIN to log in to Cloud Library.
- You will now have entered the Cloud Library where you can check out e-books and e-audiobooks.
