

Cloud Library for Nook Color & Nook Tablet

Installing the App

- Barnes & Noble no longer has the Nook App Store. Older Nook Color and Nook Tablets can no longer install the Cloud Library app. You can still download eBooks from Cloud Library, but you must transfer them from the computer. You will need to install the Cloud Library app on your computer to do so.
- All other newer Nook Tablets – Nook Tablet 7, Samsung Galaxy Tab 4 Nook, Samsung Galaxy Tab 4 Nook 10.14, Tab S2 Nook, Tab A Nook, Tab E Nook – go to **Google Play Store** to get the Cloud Library App.
- Search for **Cloud Library** in Google Play Store.
- Tap on **FREE**.
- Then tap **INSTALL**.
- You will have to accept access to certain information to continue.
- Cloud Library icon will appear. Tap screen to continue.
- Tap on **“Connect to your library.”**
- Select your Country.
- Select your library as **“Illinois Heartland Library System.”**
- Next you will be asked to supply your library card information – barcode and PIN to log in to Cloud Library.
- You will now have entered the Cloud Library where you can check out e-books and e-audiobooks.
