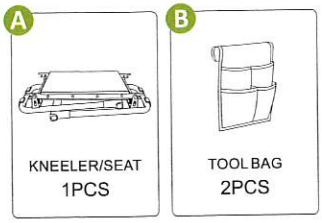
GARDEN KNEELER

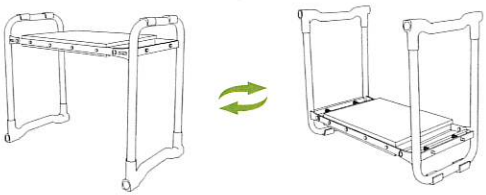
INSTALLATION INSTRUCTIONS

Revision 3.0

Due to our policy of continuous product innovation,
Some specifications may change without notification

PARTS/FUNCTIONS

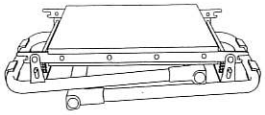




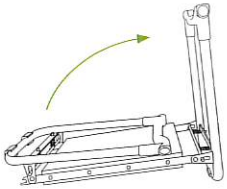
SEATED POSITION

KNEELING POSITION

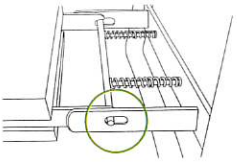
STEPS BEFORE USE



1 Put the garden kneeler on a flat surface,ready to unfold.

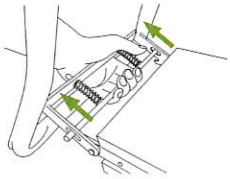


2 Take one leg of the stool and pull up to the locked position.

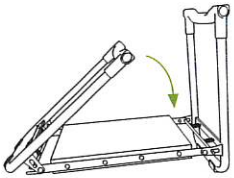


3 Ensure the legs 'lock' into place securely as diagram indicates.

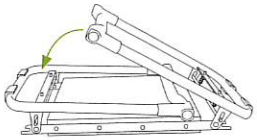
POST-USE STEPS



1 Unlock one leg by squeezing the spring handle out from the locking position.



2 While squeezing the spring handle, fold down the leg to rest on seat.



3 Repeat the process for the other leg ready and store.

CAUTIONS WHEN OPERATING

- There will be a certain amount of slight shaking in the process of use, which is normal and will not affect the use.
- The user's weight should not exceed the weight limit of the product.
- Please note that some parts have sharp edges.
- When using in a sitting position, please ensure that the product is placed horizontally, otherwise there is a danger of falling.
- Use both handlebars for support when getting up from a kneeling position.
- Do not use any part of this product as a ladder.
- Make sure all screws are tightened before first use and tighten the screws for every 90 days.
- Indoors store to make sure the kneeling stool is dry.
- If any parts are damaged or worn, discontinue using of the product until repaired or new parts installed.

WARNING

Manufacturer and seller expressly disclaim liability for any or all personal injury, property damage or loss, whether direct, indirect, or incidental, resulting from the improper using, improper maintenance, unauthorized modification, or ignoring the product instructions.
